Gleichen U. F. W. A. Ladies Meet at Mrs. Ferguson's Home

Mrs. Ferguson was hostess to the U.F.W.A. ladies at her home Thursday afternoon.

The meeting was presided over by the president Mrs. J. Wilson, and was called to order by singing "Home on the Range", and repeating the Lord's Prayer in unison.

The usual procedure of business was conducted. A donation was sent to the Cancer Fund. Arrangements were made for the dance: Quilt tickets, Winnie Yule; To decorate hall, Florence Wilson; Conveyer of lunch for dance, Velma McBean, Mrs. Lilla, Ruth Ferguson, and Florence Demet; Floor manager, Edward Holland.

Some very interesting highlights were read. A delicious lunch was served by the lunch committee.

Next meeting will be held at Mrs. Hake's on September 30th.

While Mrs. Riddell is recovering from her accident, Miss Beverly Sammons has kindly consented to write the news items for the Standard. Please phone your news items to Miss Sammons. Thank you.

Miss Pat Rogowski, who was operated on in the Holy Cross Hospital last Monday, is recovering satisfactorily.

Congratulations to Mr. and Mrs. Bob Barrett on the birth of a baby boy September 19th.

Mr. Hugh Beach, two daughters and son-in-law from Kimberly B.C. are in Gleichen visiting relatives and friends.

The regular meeting of the Ladies Auxiliary to the Canadian Legion was held Thursday evening in Legion Hall, Gleichen, with sixteen members present.

Usual form of business was conducted. Arrangements were made for a Home Cooking Table, Novelty Table, Fancy Work and Aprons, also to serve tea in the afternoon, on November 20th.

A house to house canvass for the

blind was also discussed. The invitation from the Strathmore Legion for October 19th was accepted.

The prize for contest donated by Mrs. A. N. McLeay was won by Mrs. C. Kileup.

Meeting adjourned to meet again on October 14th.

After the March of Dimes a dainty lunch was served by the lunch committee.

Congratulations to Mr. and Mrs. R. H. Riddell of Edmonton on the birth of a baby girl, in an Edmonton Hospital, September 16th.

Miss Mary Duncan of Arrowwood is visiting her brother and sister-in-law, Mr. and Mrs. Sam Duncan. Lloyd Riddell went to Edmonton recently where he will attend school.

Sam Duncan had the misfortune to sprain his shoulder recently.

Mr. and Mrs. Switzer of Calgary spent Sunday visiting Mr. and Mrs. W. P. Erford. Mrs. Erford accompanied them back to the city, where she will spend a few days.

Mr. and Mrs. R. Cunningham went to Calgary for the weekend to attend the wedding of Mrs. Cunningham's sister, Miss Morton.

Elliot Evans of Lethbridge visited his parents over the week-end.

St. Michael's Patronal Festival To Be Observed

Wednesday, September 26th is St. Michael and All Angels' Day, the Patronal Festival of St. Michael's, Strathmore. To observe the occasion there will be special services. At 8:00 a.m. there will be a celebration of the Holy Communion and at 8:00 p.m. there will be Evensong for St. Michael's Day. The preacher at the evening service will be the Very Rev. G. B. Snell, Ph.D., D.D., Dean of Calgary. All friends of St. Michael's are cordially invited to join with the parishioners on this occasion.

Cluny Couple Wed at Bassano

A wedding of interest to Cluny and Bassano was solemnized in Bassano Catholic Church Sept. 15th at eleven a.m. when Eileen Gladys Hagg R.N. daughter of Mrs. Hagg of Majorville became the bride of Fortunato Joseph (Joe) Simard son of Mr. and Mrs. F. Simard of Cluny. Rev. Father Morrow of Brooks officiated.

The bride, who was given away by her brother Alec, wore a floor length white satin gown with a sweet-heart neckline and carried a bouquet of red roses.

Miss Ethel Ball R.N. of Calgary was brides maid and she wore a floor length dress of bronze.

The groom was ably supported by his brother Honore.

After the ceremony the reception was held in the groom's home with his two sisters Jeannette and Annette assisting.

For going away the bride wore a brown suit with green accessories. After a honeymoon spent in Banff

ATA Meeting

The third Wednesday of the month was the date on which the Strathmore Sub-local held its first meeting of the new term. Seventeen teachers gathered at the Home Economics apartment, and elected the following slate of officers: President—J. W. Slenko Vice-President—W. I. MacKenzie Secretary—Margaret Gordon Counselor—S. H. Crowther Press Correspondent—Irene Langdale.

The forthcoming School Fair was discussed with all teachers being assigned to various responsible positions for the day of the Fair, Oct. 8.

A three man committee, consisting of J. A. Crellin, J. E. Hiebert and W. I. MacKenzie, was appointed to be responsible for the Strathmore School Sports Grounds.

The Carveland teachers extended an invitation to the A.T.E.A. Local to hold their next meeting in Carveland, the date to be October 29. At that time S.H. Crowther volunteered to introduce the topic of Kuder Preference Tests.

The evening concluded with a delicious lunch and everyone went home happy.

Mr. Hewlitt Addresses L. A. Of The Canadian Legion

A very interesting programme was arranged for the September meeting of the Ladies Auxiliary to the Legion, and a good number were present. Four new members joined. Plans were made for the entertainment of the Gleichen Auxiliary on their visit October 19. A White Elephant Sale netted the gratifying sum of \$17.55.

The special feature of the evening was a most interesting, illuminating and pathetic address by Mr. R. Hewlitt, Supervisor for the C.N.I.B. in Southern Alberta.

Totally blind as the result of an exploded hand grenade in Petawawa after returning from Europe in this last war, Mr. Hewlitt is a marvelous example of the wonderful benefit that can be received from the training that is being developed and increased throughout all of Canada and the world at large.

Mr. Hewlitt pictured the attitude of a blind person who feels utterly depressed and after probably two months training they lose their feeling of helplessness and begin to feel that life does hold something for them and they take on new hope, courage and perseverance.

The speaker discussed the origin of the assistance for the blind which was established in London, England in 1904.

At the end of the first World War, Capt. Edward Baker was placed in charge of the blind, the number being 172 persons. Now in Canada C.N.I.B. Boards are to be found in every province in Canada, the best school for all ages being found at Brantford, Ontario.

There had been a tense struggle for increased pensions with the result that a totally blind veteran now receives \$240 per month while a civilian gets the meagre sum of \$37 per month.

Mr. Hewlitt has established fine buildings in B.C., Alberta, Saskat

chewan, Manitoba and Ontario with others following. The building in Calgary cost \$165,000. An unpaid balance remains which with maintenance will require additional funds and Mr. Hewlitt has set as this year's budget \$25,000.

Anyone hearing the speaker, with his earnest appeal, happy humor, and hopeful outlook could not be other than strongly convinced of the duty of contributing generously to this worthy work.

A Tag Day will be held in Strathmore Saturday the 25th and private contributions will be received during the campaign.

B. Breck Meets Fatal Accident

CAMPOSE, Alta., Sept. 22: Two Camrose district men were crushed to death today and a third was injured when a 15-foot ditch in which they were laying sewer-pipe collapsed on them.

Thomas McDermott, 26, of Camrose, and B. Breck, 25, of nearby Hay Lakes, were killed. Roy Anderson of Camrose, foreman of the job, suffered a broken leg when he attempted to rescue them.

Mr. Breck is a brother of Mrs. Lochhart of Strathmore. Sincere sympathy is extended to her.

WID Notes

Weather permitting, water service will be given to the farmers until October 6th, immediately after that the canals and structures will be drained and closed for the winter.

Water users should, therefore, fill their ponds in a reservoir as soon as possible. Do not leave this until the last day as something might happen to interrupt your supply and sometimes it is necessary to refill a reservoir because of shrinkage. The Ditch Riders will co-operate in every way possible.

Do not forget to give your tree belts, pastures and hay meadows a last irrigation and if you have the time, you may as well try some fall irrigation on a stubble field or summer-fallow. It will assure you of moisture to germinate the seed next spring. If we have an open fall, you can plow the stubble field after the surplus moisture disappears. Water should be spread during fall irrigation just the same as summer irrigation and should not be left to flood the low areas and leave the higher land dry and untouched.

Water users are also asked not to forget to pay their water rates at an early date.

Junior Grain Club

A team of grain judges from the Rockyford Junior Grain Club have been trained for the Semifinals at Oids on September 22nd.

If successful there, the boys will move on to Edmonton for the finals, Sept. 24.

The boys have been in club work for four years and have enjoyed their work.

Jim Miller and Melvin Heinzel were the choice to represent Rockyford for 1948.

Newspaper Film, Hirtle's Theatre, Oct. 6

Through the courtesy of Mr. Doug Hirtle in co-operation with the Strathmore Standard a special Film will be shown at the local theatre as well as the regular show billed for Oct. 6.

The Film was taken in the in-

terior of a Weekly Newspaper and depicts the many details, large and small, that go to the printing of your Home Town Paper.

This extra feature should prove of special interest and it is hoped a capacity audience will be present.

EDITORIAL COMMENT

The Strathmore Standard, established in 1909, a member of the Canadian Weekly Newspapers Association is published three days a week at the Standard office, Strathmore, by Charles A. MacLean, Editor and Publisher. Subscription price, \$2.00 per year in Canada; \$3.00 per year outside Canada.

Member of the Audit Bureau of Circulations. Authorized as second class mail, Post Office Department, Ottawa.

"AND ON THE WAY HE DROPPED IT"

Under this heading the Macleod Gazette recently took exception to the unequal services given in rural and urban centres with regard to distribution of mail. They say:

"We contend that three cents for drop letters and statements in rural centres such as Macleod is too much for the service given, when compared with the service the city dweller gets with mail delivered to his door for four cents from anywhere in Canada, including air mail from coast to coast.

"The post-office department instead of making the big noise on air mail, which is being carried at a very cheap rate, should seek to improve the rural rates."

We are inclined to agree with The Gazette in this matter. We would even go

so far as to point out that not only is the service poorer, but the rate is higher for we are charged a yearly sum for Post Office boxes, a fee which would be unnecessary were there delivery. (And, of course, too, that even this service is to be increased soon.)

PLAN IRRIGATION PROJECT NEAR MEDICINE HAT

E. L. Gray of Regina, superintendent of water development for the Prairie Farmers Rehabilitation Act, confirmed reports that an irrigation dam will be built across Gros Vente Creek, 40 miles southeast, to provide a greater water reserve for irrigation between Irvine, Alta., and Medicine Hat.

He said an appropriation has been set aside and the project will be started as soon as the provincial water resources board gives its approval.

The dam, estimated to cost between \$20,000 and 25,000, will provide additional storage for 600 acre feet of water. The flow will augment supplies in dry years through the Gros Vente and Ross creek course which join near Irvine.

In Others' Words

Recent Election Inspires Questions

(Settler Independent)

Taking a realistic view of the proceedings, it is hard to understand why more Liberals and Independents were not elected, and why many good men who were experienced in municipal and public affairs generally, lost their deposits.

Men like the mayor of Lacombe and the mayor of Ponoka, and well-tried officials of municipalities and in organizations over the province were snowed under while men like the Minister of Agriculture who is not a practical farmer and the Minister of Education who is a real estate agent were considered so well trained for their jobs, that they need not have held a single meeting for all the difference it made in their outstanding majorities.

Is that all we can expect in Alberta, in a province which is second to none in the quality and sociability of its people?

We cannot expect to reach the ideal of Macaulay's men of ancient Rome where "none was for the party and all were for the state" but are we always going to shut good men out of the legislature because they don't belong to one particular group?

A government with a depleted Opposition simply encourages bureaucracy and will we continue to do nothing to control the bureaucrats?

Will we continue to make no protests when a member like Mr. Wray is read out of the party because he clears the roads of snow in his constituency without official sanction to allow the children to go to school and the sick people to go to the hospital?

His own constituency of Banff-

Cochrane elected him over a government candidate but what about the attitude of the members of the House belonging to his own party?

Will we continue to acquiesce in the strange tactics of the Attorney-General in having the police raid the offices of the I.O.D.E. and in bringing into court a noted welfare worker, who was decorated by the king and who was acting as the agent of a highly respected welfare organization which had done better war work than the government itself?

Will we continue to vote blindly and leave the legislature with only a corporal's guard as the Opposition, although the Opposition is nearly as important as the government itself?

Will we continue to condone some members of the House in their attitude of studied ridicule towards opposition leaders, although these leaders represent a large section of the people of Alberta?

Alberta should be the banner province of Canada. It has natural resources that Ontario, the richest province, could not dream about and make the dreams come true. It has a potential future due to the gifts of the Almighty, that could and should leave the other provinces far behind. It has oil and gas and coal in quantities that no other province can ever hope to possess. It has a roll that British Columbia and the eastern provinces would give their last dollar for.

Yet British Columbia, Ontario, Quebec, Nova Scotia, New Brunswick, etc., have the roads and we have only a laboratory for political and economic experiments.

Rock Beer

(P. J. S. in Cranbrook Courier)

We find we are always learning something new. Here we always had the impression that the Rock beer we got from the breweries in the spring was the clearings of the large vats. But we were wrong, according to what Adam Carson, brew master of the plant of the Fernie Brewery, told the Fernie Rotary

Club the other day. Rock beer, according to Carson, has been recognized for ages as a spring tonic and is made as a special brew, containing a dash of epsom salts and a special control malt. Beer contains 99 per cent water, but this water must be pure and odorless. The most perfect water for beer making is found at Burton-on-Trent in Nottinghamshire, England.

Trapshooters from all parts of Alberta will converge on Calgary September 29 and 30 and October 1 to take part in three days of action packed competition in the Calgary Gun Club's Southern Alberta Merchandise Shoot. The highlight of the tournament will be the Calgary Herald Trapshooting Championship with the Herald Rose Bowl at stake. Gun Club officials have an-

nounced that the prize list totals more than \$1,200 in the 17 events listed for the largest shoot being staged in the province this year.

The Herald Rose Bowl event will be open to residents of Southern Alberta only with Red Deer being the northern boundary and the international border being the southern.

Besides The Herald trophy there will be the Common-

wealth Petroleum trophy for skeet open to any resident of the province and awards in the Sliding Handicap, the Distance Handicap and a special award for the women competitors.

Entries should be mailed to the Calgary Gun Club, 708 Centre Street, prior to the start of the tournament.

The shoot will take place at the club ranges, 17th Ave. and 33rd Street W.

Who Does Your Printing?

All business houses need more or less printed matter, all of which is within the possibilities of the local printer. Yet how prone many are to pass up the home printer and let the orders go to city offices which have no interest whatever in rural communities except to get printing orders and the cash to pay for them.

Business men, remember that the home paper is constantly promoting the interests of the home community and you owe it to yourself and your local paper to back up these efforts by at least having your printed matter done locally.

Deffenbaker's Aims

ANNOUNCING CANDIDACY
DIEFFENBAKER LISTS AIMS

John Diefenbaker, Progressive Conservative Member of Parliament for Lake Centre, Saskatchewan, announced today he will be a leadership candidate at the party's national convention here Sept. 30, Oct. 1 and 2.

The 52-year-old Saskatchewan criminal lawyer, making the announcement in a prepared statement, said he will allow his name to go before the convention called to choose a successor to John Bracken, 65, retiring because of his age and ill-health.

CITES RESPONSIBILITIES

Mr. Diefenbaker's statement read "In any democratic organization the privilege of membership carries with it responsibilities.

"Since the announcement of the retirement of the Hon. John Bracken as leader of the party, a call has come to me to offer myself as a candidate for that high position.

"I have never shirked my responsibilities as a member of this party, and will not now, although I am fully mindful of the magnitude of the task, and the responsibilities that will fall on the leader of this party to contribute to the national unity of Canada.

"It is because I believe I have something to contribute to Canada, in a crusade to mobilize Canadians everywhere for Canada that I am allowing my name to be placed in nomination.

"My creed is a simple one. As a Canadian whose roots are in Canada for four generations, I believe in Canada — that its destiny can best be achieved under our democratic Canadian way of life." The Herald.

Transfer Moose

The successful transfer of ten moose, five male and five female, from Elk Island Park, Alberta, to Cape Breton Highlands National Park, Nova Scotia, by the National Parks Service of the Department of Mines and Resources, was announced today.

The 2,500-mile trip, which lasted nine days, was made over Canadian National Railway lines. The animals were taken by special truck from Little Bras d'Or, near Sydney, N.S., to the Roper's Brook area in the Cape Breton Park, where they were released. Officials of the National Parks Service and the Dominion Wildlife Service had charge of the moose during the entire trip.

At one time moose were abundant on Cape Breton Island, but excessive exploitation resulted in their extermination. In winter, when deep snow made the animals helpless, hunters often slaughtered them in their winter "yards".

Under sanctuary conditions, however, wild animals that were virtually extinct at the turn of the century are once again thriving. The buffalo is a classic example.

The re-establishment of moose in Cape Breton Highlands National Park is regarded as an important project. A recent investigation of wildlife conditions there revealed that the area is excellent moose range. Under these favorable conditions the moose should increase rapidly.

ON THE SPOT (Camrose Canadian)

The Alberta power corporations, such as Calgary Power and North-Western Utilities, are now on the spot in Alberta. They must proceed to develop a system of distribution to the agricultural areas that will equal or surpass anything being done by the publicly owned corporations like us in Ontario, Manitoba and Saskatchewan. The challenge is open and they must accept it. The recent vote in Alberta was not a license. It was a charter, for private ownership to demonstrate its ability to compete with publicly owned utilities.

UNDER THE STREETLAMP

A teacher received a letter from the mother of one of her pupils: "Dear Miss. Please don't give Tommy any more homework. That sum about how long would it take a man to walk 50 times round Trafalgar Square caused his father to lose a day's work. And after he'd walked it you marked the sum wrong."

A cowboy boarded our air liner at Santa Fe on a day when dusty mountain winds made flying pretty rough. In spite of the hostess's numerous requests, he refused to fasten his seat belt.

"Young lady," he snorted, for thirty years I've rode everything I ever mounted, and I ain't about to be saddle tied now. Let 'er buck! I'll ride 'er."

A leading shirtmaker says that buttons that laundries can't tear off shirts have already been invented... Anyway, the announcement suggests a number of other gadgets that would make the machine age a smoother one:

Phones that can't ring while you're in the bath.

Theater doors that can't be closed in a would-be passenger's face. Theatre seats that won't remain empty in the middle of the row.

Shoes that can't be moved—not even by pedestrians—against a red traffic light.

Radios that get loud enough for their owners before getting too loud for the neighbors.

The teacher had asked the class to write an essay on "Our Dog." Young Jimmy was the first to finish. His effort read, "Our Dog. We haven't got one."

"And so you are the noble fellow who rescued my wife at the risk of your life?" said Mr. Tightfist. "Take this shilling my brave fellow as an expression of my thankfulness."

"All right 'guv'nor, thank ye,"

and then he added softly: "You know better'n I do what your wife's worth."

"How's business?" a passer-by asked the old scissors grinder. "Fine," he said, "I never saw things so dull."

A man bought a canary from an animal dealer.

"You're sure this bird can sing?" he said suspiciously.

"He's a grand singer."

The customer left. A week later he reappeared.

"Say! That bird you sold me is lame!"

"Well, what did you want—a singer or a dancer?"

Start Cattle Drive

MEDICINE HAT—First big over-land drive of fat and feeder cattle from Southern Alberta to Montana in many years, averaging onto the trail today from the Manyberries-Takowi region some 70 miles south of Medicine Hat.

American buyers took this method of moving close to 1,000 head of choice stock to United States feeding lots and packing plants to overcome the shortage of railway cars.

Trailing the herd are Otto Skogen and Otto Shepherd who have been in this district two weeks buying yearlings and two-year-olds at from 23 to 25 cents a pound. Four cowboys and a chick wagon are in the trailing cavalcade which will take some 10 days to cover the 125 miles to Crescent, Montana.

Also awaiting shipment to American corn feeding lots are another 1,500 head of choice stock at Tilley. They will go to Illinois and South Dakota.

While it had originally been planned to trail this purchase along the overland route the buyers have decided to send in their own rail cars. A train of 40 cars from South Dakota is en route here and it is expected the Tilley holding will be shipped next week.

—The Calgary Herald.

Hon. D. A. Ure, Alberta's agricultural minister, in a recent statement announced that since 1940 over a quarter of a million cattle have been tested for T.B. in Alberta. Out of that total an average of only 16 cattle in 10,000 showed signs of infection.

NEWSPRINT MACHINE BOOSTS PRODUCTION

POWELL RIVER, B.C.

The touch of a button today pushed one of Western Canada's foremost papermakers—the Powell River Co. Ltd.—toward the top rung among world newsprint producers.

Described as the world's fastest newsprint manufacturing machine, the company's "No. 8" will commence spinning out a test run of 1,200 feet of newsprint a minute. Within a few years the machine is expected to be stepped up to a world-beating 2,000 feet a minute—or \$22,000 worth of newsprint a day.

The brief inaugural ceremony was watched by U.S. dollar-hungry directors of the Bank of Canada, now touring the Pacific Coast.

F. W. Gershaw of Medicine Hat and Edward Yellowfoot of the reserve.

For Women Only

In the spring a young man's fancy turns to thoughts of love, the poet says, but in the cool autumn days a man's appetite turns to more tangible things, such as good food.

To provide variety in the daily menu for the master of the house (the children will like them too), Helen Abell, home economist, suggests a couple of tasty and satisfying casserole dishes. They are easily prepared and the left-over portion will be just as tasty when heated up.

SCALLOPED FINNAN HADDIE AND PEAS

1½ 10-oz. can of Finnan Haddie

¾ No. 2 can (20-oz.) of Peas

1½ tablespoons Cooking Fat

2 tablespoons Flour

¾ teaspoon Salt

Dash of Pepper

2½ cup Milk

2½ tablespoons finely crushed

Bread Crumbs

Flake Finnan Haddie. Drain peas, reserving liquor. Melt fat, blend in flour, salt and pepper. Add milk to fat and flour mixture; cook until mixture thickens, stirring constant. Fold in peas and flaked Finnan Haddie. Pour into greased shallow casserole. Sprinkle with bread crumbs. Bake in a moderate oven 350 degrees F. for 30 minutes.

4 to 5 servings.

CORNEO BEEF HASH WITH CREOLE STRING BEANS

1 tablespoon Butter or Cooking Fat

2 tablespoons, chopped Green

Pepper or Celery

1 Medium-sized Onion, minced

2 tbsps. General Purpose Flour

1 tablespoon Prepared Mustard

1 No. 2 can (20-oz.) Tomatoes

1 No. 2 can (20-oz.) String Beans

¾ teaspoon Worcestershire Sauce

¾ teaspoon Celery Salt, Dash of

Salt and Pepper

1 1-lb. can Corned Beef Hash

Melt fat in saucepan; saute green pepper or celery and onions until brown; add flour and prepared mustard; blend thoroughly. Drain tomatoes and string beans. Slowly add liquors, Worcestershire sauce, celery salt, salt and pepper to green pepper and onions, stirring constant. Pour into a shallow greased 1½ quart casserole. Slice corned beef hash and place slices in top. Brush top of sliced meat lightly with butter or cooking fat. Bake in moderate oven 350 degrees F. for 20 minutes. 8 servings.

"THE BACK THAT BENDS"

Probably the smallest man in the world, mentally speaking, is the one who is afraid to change his mind for fear someone will think he wasn't smart enough to make it up correctly the first time. He deludes himself into thinking his stubbornness is a display of backbone.

A famous Chicago minister was introduced to a huge audience once by an admiring layman, with the comment that the good minister had "backbone."

"If I have backbone," the preacher remarked, "I hope it has joints in it, so it can bend. If it does not bend, then it is only a crowbar, and I can imagine nothing as unadaptable to problems as a crowbar."

EVERYBODY'S BUSINESS

Would you like to experience one of the happiest, most interesting days in your life — tomorrow?

You will if you make it a "Double Day" — a day during which you try to practice certain principles with twice your normal effort.

For instance, with people — everyone you meet during the day — make a double effort to be kind and helpful. Try to be twice as interested in each one, twice as appreciative of their good qualities.

On the job too, there are many things you can profitably try to double: your concentration; your self-confidence; your efficiency; your ability to visualize improvements that can be made in your field of work.

Even spare time recreation will bring more fun and relaxation if entered into with doubled enthusiasm.

The end of such a day will be so enjoyable that you will want to continue such practice in the future.

Here's another secret of happier living: Provide a background of peace of mind for yourself and your loved ones through life insurance. It offers dependable protection against emergencies and provides income for retirement.

The Reserve Army Needs Men. JOIN STRATHMORE'S F Troop, 212 Battery, R. C. A. Today

F Troop 212 Battery is just commencing winter training and has vacancies for men of all trades. It offers an opportunity to learn something new while getting paid.

F Troop 212 Battery offers a program that includes gunnery, signals, wireless, driving, marksmanship, office administration and motor mechanics, plus two weeks of summer camp at Esquimalt B.C.

F Troop 212 Battery was awarded the highest marks during this year's summer camp and together with the other batteries that form the 68th Light Anti-aircraft Regiment, is regarded as one of the best units in Alberta.

F Troop 212 Battery is embarking on its most extensive program since it was formed. The battery is being issued new and more equipment and will be taking part in many outdoor exercises.

F Troop 212 Battery offers to anyone joining the unit an opportunity to gain advancement, better education, good fellowship and a chance to enter the battery now when Canada is urgently in need of men in the Reserve Force.

F Troop 212 Battery parades every Tuesday night in Calgary at 8:00 p.m., leaving Strathmore at 7:00 p.m., and extends a hearty welcome to those who are interested in helping Canada.

Build For The Blind Fund

The above architectural drawing is a sketch of the new Canadian National Institute for the Blind Centre which is now under construction in the City of Calgary. This beautiful building will materially serve over four hundred blind persons in Central and Southern Alberta. This year the annual drive is of necessity a capital fund raising campaign. The building will cost approximately \$200,000.00 and the Canadian National Institute for the Blind officials have a deficit of almost \$75,000.00. The current drive which will soon be carried out in your district under the sponsorship of some local organization will provide you with the opportunity of subscribing to this very worthy cause. If you fully appreciate the wonderful sense of sight, which has

been denied many of your fellow beings, be more generous than ever before.

In the very near future a canvasser will call at your home or place of business, and this canvasser has volunteered to assist the C.N.I.B. and we ask that you be courteous and co-operative. In the event that a canvasser does not call, kindly forward your donation to the Canadian National Institute for the Blind, Old Court House Building, Calgary, and an official receipt for income tax exemptions will be immediately mailed to you.

Help the Blind to help themselves, and help the one organization that assists all Blind persons to **BUILD A BETTER TOMORROW FOR THE BLIND OF TODAY.**

First Aid Hints for

SPRAINS and STRAINS

SPRAINS:

When, by sudden wrench or twist, the ligaments and the parts around a joint are stretched or torn, the joint is said to be sprained.

SIGNS AND SYMPTOMS:

1. Pain at the Joint.
2. Inability to use the joint without increasing the pain.
3. Swelling and, later, discoloration.

TREATMENT:

1. Place the limb in the most comfortable position and prevent any movement.
 2. Expose the joint and apply a firm bandage.
 3. Wet the bandage with cold water and keep it wet.
 4. When this ceases to give relief, take the bandage off and re-apply it.
- In all doubtful cases treat as a fracture.

STRAINS AND RUPTURED MUSCLES:

When, during severe exertion, muscles or tendons are over-stretched they are said to be strained; or if they are actually torn, they are described as ruptured. A so-called strain in the groin (hernia) is an injury of a totally different nature.

SIGNS AND SYMPTOMS:

1. A sudden sharp pain at the seat of injury.
2. When the muscles of a limb are strained they may swell and cause severe cramp.
3. Further exertion is difficult or impossible; for example, if the strain has occurred in the back the patient may be unable to stand upright.

TREATMENT:

1. Place the patient in the most comfortable position, and afford support to the injured part.
2. Apply a hot compress.

Strathmore Loses Valuable Citizens Presentation to Mr. & Mrs. W. H. Hartell

After a residence of many years in the Cheadle and Strathmore district, Mr. and Mrs. W. H. (Ted) Hartell have recently moved to Calgary. Both Mr. and Mrs. Hartell have been interested and public-spirited citizens taking an active part in the life of the community. In addition to serving latterly as councillor for the Municipality, Mr. Hartell was an active member of St. Michael's Church acting as Vicar's Warden and People's Warden as well as being a member of the Vestry. Mrs. Hartell was for many years an active participant in the work of St. Michael's W.A. and, like her husband, deeply interested in the affairs of the Church.

Both will be missed in the life of the community, but will be near enough that their friends may see them from time to time.

As Councillor Mr. Hartell has rendered interested and faithful service on the Bow Valley Council.

To express their appreciation of the valuable work in the Church, members of the Vestry and the W.A. of St. Michael's met Wednesday evening at the home of Mr. and Mrs. Patrick to do honor to the Hartells and to express in a slight tangible form their appreciation. After expressing the loss all feel at their departure, Rev. Douglas Ford presented to Mr. and Mrs. Hartell a very lovely radio lamp coupling with the good wishes of all for their future in Calgary.

The Hartell Family have been worthy pioneers in the district, Mr. Hartell Sr. having been a worthy citizen in the early days.

Mr. and Mrs. Hartell both expres-

sed their deep appreciation for the gift and the kindness extended them and very sincerely expressed their regret at leaving Strathmore. A social hour followed which all enjoyed. Refreshments were served, and as revolvers said, marking one more milestone in Life's Pathway.

Town Council

At the regular meeting of the Town Council held Tuesday 21st the

Mayor and all Members of the Council were present.

The application of Mr. Fred Graham to purchase Lot 23 on Main Street was approved and the By-law will be prepared for next meeting. It was resolved that parsonages of the United Church, Anglican Church and the Roman Catholic Church be exempted from Taxation for the year 1948.

Mr. Spence Hughes attended the meeting and gave a favorable report regarding sale of Water Works Debentures. A letter was read stating that most of the pipe and hydrants ordered from the Marketing Service would be available within a week. Accounts amounting to \$707.18 were passed for payment.

Aiding The Tourist

Alberta prides itself on being a province popular with tourists from all over the world, yet in many instances nothing is done to make visitors feel at home or to provide them with information which might conceivably make their stay more enjoyable. For instance, how many towns in Alberta have signs on their outskirts which give tourists any idea as to size of population, altitude, or miles from the nearest large city? Few, in fact, even bother to put the name of their town on a sign. In the United States and Eastern Canada, however, such informative signs are commonplace and add greatly to the pleasure of the tourist's trip as well as providing him with much interesting information about the country he is visiting.

Signs which tell something about towns and villages a visitor is passing through aren't the only things Alberta and most of the other Western provinces neglect to provide tourists. Seldom, as an example, do you see signs which help direct you through a town. Take Cardston, for instance. An American tourist travelling from Lethbridge to the border at Carway through Cardston would have to stop and ask a citizen where the road to the U.S. border was. Signs properly located on the main street would solve the problem easily. Almost every Alberta town and city is guilty of similar neglect.

Local News Items

A Memorial to honor Chief Crowfoot, greatest of the Blackfoot Indian Chiefs, will be erected Sunday September 26 on the Backfoot Reserve near Glenelg by the Historic Sites and Monuments Board of Canada.

Following the regular United Church Choir practice which was held Tuesday evening, September 14 at the home of Mrs. T. S. Hughes, the gathering took the form of a social evening in compliment to Miss Georgia Chapman and Mrs. Alice Polley. The efficient services of Miss Chapman as pianist for many years and of Mrs. Polley as Choir Leader for the past two years have been very greatly appreciated by the Choir and the congregation as well, and the Choir members took this opportunity to show their appreciation. Miss Chapman will remain as a member of the choir while Mrs. Polley has left for Edmonton to attend the University.

With warm appreciation Mrs. Hughes presented each honor guest with a gift Certificate accompanied by all good wishes for the future. Both guests very graciously expressed their thanks for the gifts and good wishes, and said they had enjoyed their association with the choir.

Delicious refreshments were served and a number of games completed a very happy evening.

At the Conservative Convention held at Medicine Hat recently, official delegates to the National Convention to be held in Ottawa were named as follows: Mrs. McGee of Brooks, Mr. Phil Rogers, Chancellor and Mr. T. S. Hughes, Strathmore, with as alternatives Mrs. T. S. Hughes and Mr. Chas. Harvey.

At a Ladies Organization meeting held in 1945 Mrs. Gladys Morgan was made President, Mrs. T. S. Hughes Vice-President, Miss Lydia McLean Sec-Treasurer. This organization is still carrying on, and plan to hold meetings more frequently in the future.

Major and Mrs. E. Brundson, who have been with the staff at Even- tide Home for sometime past are leaving at the end of the month for Port Arthur, Ont., where the Major will have charge of a men's hostel.

Mr. and Mrs. T. S. Hughes entertained Tuesday last a number of people interested in the Progressive Conservative Convention which will be held in Ottawa September 30, October 1 and 2 next.

Miss Hilda Hesson of Winnipeg, who will be a prominent member at the Convention gave an exceedingly interesting and informative address and an interesting question hour followed. Miss Hesson's name will be put in nomination at Convention and if elected she will be asked to preside at, at least one session of the Convention.

Delicious refreshments were served and a very interesting afternoon enjoyed.

About seventeen ladies of the Saint Blair Chapter of the Bothel Chapter in Calgary last Wednesday evening.

Mr. and Mrs. Bill Julian left Wednesday morning for Edmonton where Bill will take classes at St. Stephen's College for the year.

Mrs. Willson was a delightful hostess Tuesday afternoon when she arranged two tables of Bridge in honor of Miss E. White of Ottawa who has been Mrs. Patrick's guest for a couple of weeks. Beautiful autumn flowers artistically arranged were much admired by all present.

Some interesting games of bridge were enjoyed resulting in Mrs. Patrick winning the high score with Mrs. Sander the consolation, and a dainty gift to the guest of honor.

Choice refreshments and a happy hour over the coffee cups was enjoyed by everyone.

H. & S. Meeting Monday 28. See Coming Events.

Mr. and Mrs. R. J. Milligan and sons and Mr. George Davis motored to Turner Valley Sunday last.

The W.M.S. held their regular meeting at the home of Mrs. Caldwell Tuesday. Further chapters in the Study Book—"The Bible in Many Lands" were read. Following a pleasant social hour, the members were delighted to see the beautiful garden of roses, gladioli and many other flowers.

Mrs. Thurston invited a number of friends for an informal chat at her home Tuesday evening and to welcome Mrs. Moore back again.
